**10:20 a.m.: *Mutiny on the Bounty* (2 hrs. 12 min.)**

**12:35 p.m.: *Load and Fire!***

Courtesy of the U.S. Naval Academy Museum & Boston Productions

*Details the loading and firing procedure of the 32 pounder carronade. (3 min.)*

**12:40 p.m.: *Live Fire!***

Courtesy of the Erie Maritime Museum

*Witness the destructive power of cannon fire in Naval Warfare. (20 min.)*

**1:05 p.m.: *Saga of the Steamship Atlantic***

Courtesy of WQLN Public Media

*On August 30, 1852, the Steamship Atlantic collided with another ship and sunk to the depths of Lake Erie. An estimated 200 lives were lost in this tragedy, along with money and gold speculated to be worth millions. There has already been a legal battle over ownership of the sunken vessel, and a campaign to preserve the ship and its contents is ongoing. This film traces the Atlantic's role in history, as well as the current controversy over the fate of this important American artifact. (60 min.)*
